B PHOTOGRAPHY

PHOTOGRAPHERS OF MOMENTS WITH EMOTIONAL & TIMELESS PHOTOGRAPHY

We are Damiano & Donatella, husband and wife and founders of D2 Photography studio.

In our career, we have photographed couples of various nationalities, traditions, customs, religions, beliefs, skin colour and same-sex couples. As well as working in Italy, we have also worked in many other countries around the world, including the United States, India, France, Spain, the Canary Islands, Switzerland and England, where we were able to share the emotions of all our couples.

Our every shot is the perfect fusion of authentic moments and unique details, of elegance and emotion, of spontaneity and intimacy, to make your wedding day unforgettable.
